THE PROTESTANT CHURCHES.

Question of the Union of All Denominations to Be Considered.

Pittsburg, Pa., Nov. 17.—One of the most important meetings in the history of the Protestant churches in this country will be held in New York city in November, 1905. The question of the union of Protestant churches of all denominations will be the chief topic of discussion at this conference, at which delegates from the Baptist, Presbyterian, Lutheran, Protestant Episcopal, Methodist and other churches will be present.

The announcement of this general convention of the Protestant churches of America was made Wednesday by Rev. Dr. W. H. Roberts, of Philadelphia, the chairman of the committee on arrangements for the convention, at the meeting of the American commission appointed to arrange an alliance of Presbyterian and Reformed churches, now in session here. The members of the commission voiced their hearty approval of the convention and the object for which it is formed.

ALASKAN MARSHAL REMOVED.

The Resignation of Judge Melville C. Brown Asked For.

Washington, Nov. 17.—President Roosevelt has removed from office Frank H. Richards, United States marshal for the Nome district in Alaska, and has requested the resignation of Judge Melville C. Brown, of the Juneau district. This action is the result of the investigation of the Alaska judiciary made recently by Assistant Attorney General Day.

Charges have been made from time to time against nearly all the federal officials of Alaska, Gov. Brady not being exempt, but it is said that the action of the president Wednesday finally closes the matter of these charges. Officials of the administration being satisfied that Gov. Brady, Judge Jas. Wickersham, of the Yukon district, and other officials involved in them have acted in the best interests of the territory. Judge Wickersham Wednesday was reappointed. The case of Judge Alfred S. Moore, of the Nome district, is held in abeyance.

REAR END COLLISION.

Three Passengers Killed and Nine or More Persons Injured.

Detroit, Mich., Nov. 17.—Three passengers killed and nine or more passengers and trainmen were injured in a rear end passenger train collision Wednesday night at Elmdale, on the Pere Marquette railroad. The collision occurred at Elmdale Junction, 22 miles east of Grand Rapids. Both trains were east-bound, No. 6 for Detroit and No. 34 for Saginaw. The Saginaw train had preceded the Detroit train out of Grand Rapids by a few minutes and was standing on a "Y" at Elmdale, where the Saginaw division branches off from the Detroit division. Through some mistake the switch was not turned behind the Saginaw train and the Detroit train also ran upon the "Y," the engine of the Detroit train crashing into the rear of the parlor car of the Saginaw train. The passengers killed and injured were in the parlor car of the latter and the trainmen who were hurt were on the Detroit train.

Engineer Scalded to Death.

Fort Worth, Tex., Nov. 17.—Santa Fe passenger train No. 5, south-bound, jumped the track in the Ardmore yards. Engineer H. E. Bemis, of Cleburne, was caught under the engine and scalded to death.

WHAT HE GOT THEM WITH

No Ailments in the Crowd, But the Fakir Had Something That Sold Quickly.

"Gentlemen," began the fakir as he arranged numerous bottles on a little table at a downtown street corner and prepared for business, "has anyone in this crowd got a toothache?"

No one answered, relates the Chicago Inter Ocean.

"Has anyone an earache or a headache?"

Not a man had anything to say.

"Very well, then; but are you troubled with insomnia? Are you low spirited, and do you find yourself thinking of suicide?"

The appeal was like the other—in vain. The crowd abowed each other, but no one advanced.

"Very well, gentlemen; very well. Now, is there anyone here who indulges in intoxicants and wishes to conceal the fact from the women folks? If so, I guarantee that one drop of this marvelous preparation placed on the tongue will instantly remove the odor of any—"

There was a mad rush from all directions, and for the next five minutes he gave change and passed out the bottles with both hands.

RIGHT ON HER DIGNITY.

American Heiress Had Inherited Just as Easy Money as Any-body.

"I understand," said the dignified English matron, "that your father made his money in—in trade."

"What do you mean?" asked the American heiress.

"That he amassed his wealth by buying and selling commodities that the common people needed."

"He did nothing of the sort!" retorted the angry heiress, relates Judge.

"I want you to understand that papa did not work a lick for a cent of his."

He made it every bit by skinning people with watered stocks. I guess that's just as easy money as the kind that you inherit, isn't it?"

An Honest Opinion.

Mineral, Idaho, Nov. 14th (Special).—That a sure cure has been discovered for those sciatic pains that make so many lives miserable, is the firm opinion of Mr. D. S. Colson, a well-known resident of this place, and he does not hesitate to say that cure is Dodd's Kidney Pills. The reason Mr. Colson is so firm in his opinion is that he had those terrible pains and is cured. Speaking of the matter he says:

"I am only too happy to say Dodd's Kidney Pills have done me lots of good. I had awful pains in my hip so I could hardly walk. Dodd's Kidney Pills stopped it entirely. I think they are a grand medicine."

All Sciatic and Rheumatic pains are caused by Uric Acid in the blood. Dodd's Kidney Pills make healthy kidneys and healthy kidneys strain all the Uric Acid out of the blood. With the cause removed there can be no Rheumatism or Sciatica.

"Hope," said Uncle Eben, "is a great thing. But it don't justify a man in doin' nuffin' an' settin' aroun' all his life waitin' for Santy Claus."—Washington Star.

Pico's Cure for Consumption is an infallible medicine for coughs and colds.—N. W. Samuel, Ocean Grove, N. J., Feb. 17, 1900.

Some people shed advice like a cotton-wood tree sheds lint—and with about the same results.

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: I was married for several years and no children blessed my home. The doctor said I had a complication of female troubles and I could not have any children unless I could be cured. He tried to cure me, but after experimenting for several months, my husband became disgusted, and one night when we noticed a testimonial of a woman who had been cured of similar trouble through the use of Lydia E. Pinkham's Vegetable Compound, he went out and bought a bottle for me. I used your medicine for three and one half months, improving steadily in health, and in twenty-two months a child came. I cannot fully express the joy and thankfulness that is in my heart. Our home is a different place now, as we have something to live for, and all the credit is due to Lydia E. Pinkham's Vegetable Compound. Yours very sincerely, Mrs. L. C. GLOVER, 614 Grove St., Milwaukee, Wis." Vice President, Milwaukee Business Woman's Ass'n.

Women should not fail to profit by the experience of these two women; just as surely as they were cured of the troubles enumerated in their letters, just so certainly will Lydia E. Pinkham's Vegetable Compound cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

An Indiana Lady Tells of a Wonderful Cure:—

"DEAR MRS. PINKHAM: It is a pleasure for me to write and tell what your wonderful medicine has done for me. I was sick for three years with change of life, and my physician thought a cancerous condition of the womb. During these three years I suffered untold agony.

"I cannot find words in which to express my bad feelings. I did not expect to ever see another well day. I read some of the testimonials recommending your medicine and decided to write to you and give your treatment a trial.

"Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I began to sleep. I have taken now six bottles, and am so well I can do all kinds of work."—Mrs. LIZZIE HINKLE, Salem, Ind.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America can speak from a wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and always helpful.
